

# Navigating Paediatric Disability

## Project ECHO network 2023

Navigating many service systems is complex. Join in the discussion about integrating care for children and young people with disability and complex support needs. Our panel includes:

**Bethany Hooke**—Paediatric Disability Lead, CHQ, Facilitator

**Breanne Hetherington**— Principal Specialist Services Clinician, Child Safety

**Katie Whitworth** — Senior Advisor, Speech Pathology & **Karen Herbert** Senior Guidance Officer, Education Queensland

**Danielle Howlett** - Director of Support Coordination, Mercy Community

We welcome new & returning colleagues from health, education & human services sectors.

**Term 1 starts Thursday, February 16<sup>th</sup>, 12:30-2pm (AEST).**

**Sessions run fortnightly/monthly during school terms**

All you need is an internet connection, webcam and a preparedness to contribute ideas and de-identified cases to the discussion.

### Themes for 2023

Term 1 **Being person centred and systems focused**

Term 2: **Unpacking our sectors**

Term 3: **Culturally Safe Practices**

Term 4: **Expanding our networks**
